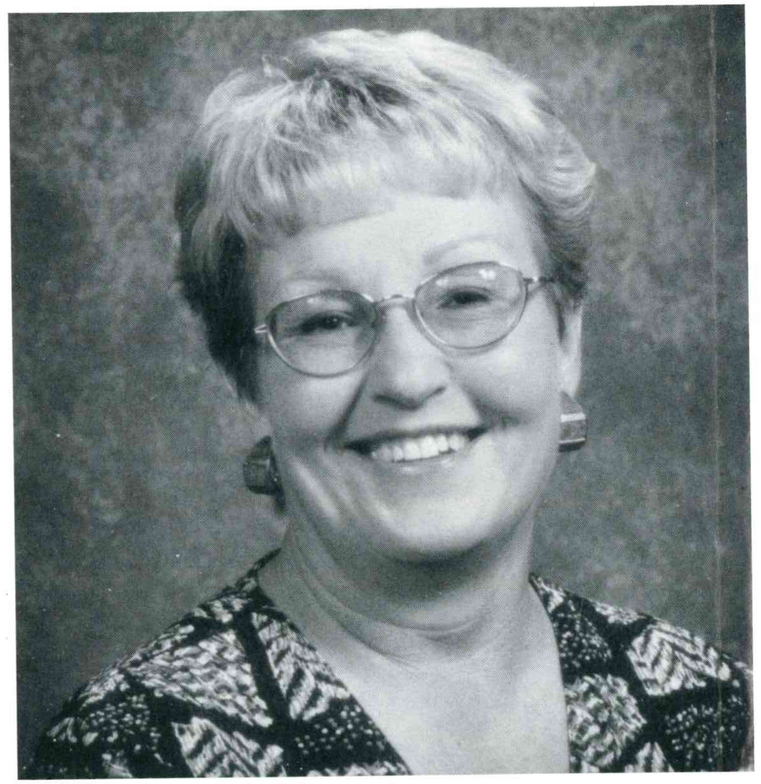
Dedication



The yearbook staff of JCHS dedicates the 2007-2008 WILDCAT yearbook to Baretta Perkins. She has served the Joseph City schools for the past 33 years in various positions such as: resource aide, Title I aide, high school librarian, district secretary, and elementary secretary. The last 15 years she has worked as a secretary for the schools. We will remember her cheery disposition, beautiful smile, and fun loving nature. Her love of students, professional skills, and friendship will be missed. We wish her the best in everything she chooses to pursue and sincerely thank her for all of her years of service to the students and faculty of the Joseph City schools.

Stay motivated by what you think is important internally and be motivated by a sense of discovery. Look at things that are important to you and pursue it with a passion, even if the world sees them as impossible. Don't let anyone or anything squash your hopes and dreams. Find a way to move forward and create a plan that is realistic for you. And through it all, you must maintain your vision, because it will guide you like an internal compass. We will be there for you both and don't forget - we *believe* in you.
